Charlotte, NC – Gambling.com Group Limited (Nasdaq: GAMB) (“Gambling.com Group” or the “Company”), a fast-growing provider of marketing and sports data services for the global online gambling industry, today announced over 60 finalists across 12 categories for the 2025 edition of the [American Gambling Awards](#). Nominations for each award category will now be evaluated by one of the most distinguished panels of [expert judges](#) in the industry, all of whom have United States-specific online gambling industry experience. This esteemed group of judges includes many founders and CEOs from some of the best-known gaming operators and technology companies in the industry.

As with previous years, Gambling.com Group will present the American Gambling Awards winners with the exclusive Golden Eagle trophy—the icon of achievement in the American online gambling market—engraved with their details. Designed by Gambling.com Group and manufactured by Society Awards—the firm that produces the Emmys®, American Music Awards and MTV Movie Awards—the Golden Eagle trophy is an 11-inch, gold-plated, cast-pewter statuette of an American Bald Eagle, proudly resting in front of a pile of casino chips.

“The companies and products powering the American online gambling industry continue to evolve at an incredible pace. This year’s finalists are the companies and leaders that set the pace in this fast-moving industry,” said Charles Gillespie, Co-Founder and CEO of Gambling.com Group. “This year has seen more entries than ever, making it the most competitive and exciting edition of the program yet. I look forward to hosting our VIPs and celebrating with the winners at Torrisi this November.”

The 2025 American Gambling Awards will recognize winners with individual, personalized announcements starting in early October in lieu of a traditional awards event.
