

Gambling.com Announces the *American Gambling Awards* Finalists

The *American Gambling Awards* have announced more than 50 unique finalists across 14 categories for the inaugural edition of the awards. Gambling.com will present the winners with the Golden Eagle trophy on June 18th, 2019 at the All-American Sports Betting Summit. Custom designed and developed over the past 3 months, the Golden Eagle is the new icon of achievement in the regulated American market for online gambling.

The American Gambling Awards were launched in March, 2019 as the first awards program to recognize excellence among operators, suppliers, advocates, policymakers, lawyers and regulators supporting the regulated online gambling market in the United States.

To properly honor the achievements of the winners, the Gambling.com awards team insisted on developing a custom trophy to be the new icon of achievement in the industry. The team engaged Society Awards, the design house that produces the most recognizable trophies in the world, including those for the Oscars, the Golden Globes and the Emmys. Manufactured in America, the Golden Eagle trophy is an 11-inch, gold-plated, cast-pewter statuette of an American Bald Eagle, proudly resting in front of a pile of casino chips.

Charles Gillespie, Chief Executive of Gambling.com Group Plc, explains, “After announcing the American Gambling Awards in March, we received tremendous feedback and excitement from throughout the industry here in America. We are pleased to announce a strong list of contenders that represents the first movers, leaders and all around go-getters, paving the way in the American online gambling market. We’ve also had great fun developing the Golden Eagle trophy, an epic statuette that is unlike anything the gambling industry has seen before.”

The nominations for each award category will now be evaluated by a panel of more than 25 expert judges. To ensure the highest possible integrity, votes will be tallied by PricewaterhouseCoopers.

The American Gambling Awards will culminate with a party and trophy presentation on June 18th, 2019 in association with the [All-American Sports Betting Summit](#), organized by Eventus International. Matthew Berry, the fantasy sports analyst, New York Times best-selling author and host of The Fantasy Show on ESPN+, will host the party. Winners will be crowned as attendees celebrate at the historic Monmouth Park Racetrack in Oceanport, New Jersey on the 1 year anniversary of New Jersey’s first legal sports bet. The party is free to attend for all registered attendees of the All American Sports Betting Summit, finalists, judges and others by invitation.
